

## GYPROC FULLY SUPPORT BCI AWARDS 2017

As an innovative building materials company, SGCPi planned to expand their business to various building materials in Indonesia.

This is demonstrated by SGCPi's positive response to a range of activities aimed at appreciating the perpetrators of the architectural and building industries, as evidenced by the BCI Awards.

BCI Awards 2017 is an event presented by BCI Asia as a form of appreciation for leaders in the architectural, developer, and supplier industries. This is an annual event that has been held for the last 10 years. This year, BCI Awards was held at Hotel Fairmont Jakarta on May 9, 2017. The event was attended by 300 invited guests and during the awarding ceremony, the event was also enlivened with exhibition area by various leading stakeholders.

Hantarman Budiono, as Managing Director of SGCPi, hopes that through this cooperation, Gyproc can foster better relationships with architects, developers, consultants and service providers who are actors in the construction industry in the future, to equally prosper the Indonesian people and catch up with development. In addition, he also said that Gyproc wants to convey a message about the importance of environmentally friendly building for the survival of our ecosystem.

Not only gave support in the awards ceremony, SGCPi also participated in establishing booth in the exhibition area to showcase the quality of Gyproc gypsum products which are becoming innovative modern solutions for the construction industry in Indonesia. The latest innovation introduced in this opportunity is Habito. Habito is a different revolutionary gypsum board. It offers the convenience and efficiency of the development process with unprecedented benefits.

**Do you want to know more about Habito? Just wait for it on 2nd August 2017!**
